

## Product Safety Notice – Customer Q&A Toshiba & Walker Televisions

Glen Dimplex Ireland Limited is issuing a Product Safety Notice for specific batches of Toshiba and Walker televisions sold in Ireland between October 2025 and April 2026. The issue relates to the fuse within certain power plugs, which does not meet the required safety standards. This may present a rare potential fire hazard. This notice is precautionary, and no incidents have been reported.

## Customer Q&A Summary

**Q: What products are affected ?**

A: Specific Toshiba and Walker models and batches sold between Oct 2025 and Apr 2026.  
Batch number is on the back of the TV.

**How to confirm your tv is affected?**

Please see below image and batch number location

**Q: Is the TV safe to use?**

A: Yes, the TV is safe. This is a precautionary action. The TV itself has multiple built-in safety features designed to protect against electrical faults. The issue we're addressing is only the plug fuse, which is an additional layer of protection

**Q: What needs replacing?**

A: Only the detachable power cable.

**Q: Is there a cost?**

A: No, replacement is completely free and covered under warranty.

**Q: Do customers need to return the TV?**

A: No, only the fuse or cable needs replacement.

**Q: Refund requests?**

A: Refunds are not available as the issue relates to an accessory only.
